

# ABSN Application

For the next steps in your admission process into the ABSN program at Brenau University, we will need your application and official transcripts submitted. For official transcripts, these need to be sent **directly from the original institutions** directly to Brenau University's admissions office:

## Main Office of Admissions

Gainesville, GA 30501

International transcripts will need a course-by-course transcript evaluation submitted by one of these partners: <https://www.naces.org/members>. Transcripts can also be sent electronically from the original institutions directly to [documents@brenau.edu](mailto:documents@brenau.edu). All transcripts need to be addressed to the admissions office. Anything sent outside the original institutions will be considered unofficial. Below are instructions on how to place your application for free. Let me know once you have both items completed so we can move forward with the next steps in the admissions process.
