

OPEN THE DOOR TO A NEW CAREER

WITH AN ACCELERATED
BACHELOR OF SCIENCE
IN NURSING.

Changing your career, your life and the lives of others **STARTS HERE.**

The Mary Inez Grindle School of Nursing at Brenau

University places a nursing career within your reach with our Accelerated Bachelor of Science in Nursing (ABSN).

The program offers students with at least an associate degree or equivalent or a bachelor's degree in another field of study. the education, training, and personal support necessary to pursue initial licensure as a registered nurse (RN).

Our mission is to help you become a **highly trained, highly skilled**, professional nurse. We prepare you to become a **leader** in the nursing field and make a positive impact on the lives of your patients.

The benefits of attending Brenau:

- 16 months *(depending on # of college credits)* 60 credit program.
- Small class sizes.
- Personalized attention.
- Faculty committed to your success.
- Modern nursing simulation facilities.

- The baccalaureate degree program in nursing at Brenau University is

accredited by the
Commission on

Collegiate Nursing Education

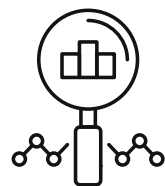

(<http://www.ccneaccreditation.org>).

LIVING YOUR BEST LIFE starts with your **ABSN** from Brenau.

Admission Requirements

Our ABSN students are the best and brightest and are admitted holistically based on experiences, attributes, and academic metrics.

- Associate degree or equivalent or a bachelor's degree in another field of study from a regionally accredited college or university.
- Recommended cumulative GPA of 3.0.
- A minimum science GPA of 3.0 is also recommended. The science GPA is based on cumulative grades earned in the last 15 years in the courses listed below. Grades earned in these courses more than 15 years ago will require the courses to be retaken or reviewed for acceptance.
- Completion of the following prerequisites:
 - Sciences:
 - BY209 Anatomy and Physiology I
 - BY210 Anatomy and Physiology II
 - CY103 Principles of Chemistry
 - BY206 Microbiology
 - Non-Sciences
 - PY 101 Introduction to Psychology
 - MS 205 Introduction to Statistics
 - PY 202 Human Growth and Development
 - MS 101/111/or 210 College Algebra

Students missing prerequisites and/or with fewer than 60 transferable credits must complete additional coursework prior to beginning the ABSN. Contact a Brenau representative for more details.

- HESI Nursing Admissions Test: You must achieve a minimum score of 75% to be eligible for the ELABSN.
- Background check and drug screening: You have one opportunity to provide acceptable background and drug screen results. Only a negative drug screen result is acceptable. A background check revealing a felony charge is not acceptable. In the event of a misdemeanor charge(s), the applicant must contact the Georgia Board of Nursing for information regarding licensure exam qualifications.

Tuition

Tuition for the 60-credit ABSN degree is \$773 per credit hour (\$46,380). Additional fees may apply. Students must also purchase books and materials. Tuition and fees are subject to change.
